

Taking the skywalk/PATH from OU Physicians to Children's Mom/Baby Unit

1. Take elevator "P" to the 4th floor of OU Physicians.
2. Follow the "PATH" past the 4th floor clinics and to the skywalk.
3. The next building/floor you will enter is William's Pavilion (WP) 2nd floor, where OBRC is located.
4. Continue down the WP 2nd floor hallway and through 2 sets of double glass doors to enter the skywalk towards Children's Hospital
5. After crossing over S.L.Young Blvd (passing the seed sower statue) you will be forced to turn left to continue on the PATH. After turning left, there are a set of glass doors to a stairwell (see "X" on the map). Take the stairs down and walk alongside the exterior of the hospital and enter the east side lobby of Children's.
6. Take the M elevators to the 5th floor (Mother/Newborn Center). At the fifth floor, exit the elevator area and to your left there will be a set of double doors. To the right of these doors is a silver speaker box.
7. Push the speaker box button and tell them you are scheduled to follow the lactation team.
8. Once you enter, walk straight ahead until you reach the wall, then turn left. The Lactation Team office is in room #5005 just ahead on the right.

Taking the skywalk/PATH from OU Physicians to Children's Mom/Baby Unit

1. Take elevator "P" to the 4th floor of OU Physicians.
2. Follow the "PATH" past the 4th floor clinics and to the skywalk.
3. The next building/floor you will enter is William's Pavilion (WP) 2nd floor, where OBRC is located.
4. Continue down the WP 2nd floor hallway and through 2 sets of double glass doors to enter the skywalk towards Children's Hospital.
5. Just ahead on the left is another set of glass double doors that head west. Take this skywalk until you reach a "T" and turn right and continue down the PATH until you reach another set of glass double doors.
6. Go through these doors, turn right and continue on the PATH until you enter the Children's Hospital building. Once you enter the building (note the ATM once you enter) you will be able to see the Children's Atrium and the "G" elevator will be on your right.
7. Take the G elevator to the 2nd floor and exit left out of the elevator and take the hallway between the G elevators and the SAMIS Center.
8. Continue down the hallway between the G elevators and SAMIS until you run into the Coussins Conference room area where you will be forced to turn right and just ahead, on your left, will be the M elevators.
9. Take the M elevators to the 5th floor (Mother/Newborn Center). At the fifth floor, exit the elevator area and to your left there will be a set of double doors. To the right of these doors is a silver speaker box.
10. Push the speaker box button and tell them you are scheduled to follow the lactation team.
11. Once you enter, walk straight ahead until you reach the wall, then turn left. The Lactation Team office is in room #5005 just ahead on the right.
