Oklahoma Breastfeeding Hotline
877-271-MILK

Text OK2BF to 61222

<https://obrc.ouhsc.edu/Breastfeeding-Hotline>

- Oklahoma Breastfeeding Hotline is available 24/7 for IBCLC care and now has texting.
- Anyone can call it including HCPs.
- We do not turn away any caller and we have been preparing for an increase in calls/texts. Urgent calls are returned 24/7 while texting is 7a-7p CST.

WIC:

- Some WIC offices are closed, have patients call their clinic to see how they are operating.
- WIC staff are completing certifications over the phone.

WIC PUMPS:

- Pump paperwork is done over the phone, & mom will be given her pump at the door.
- Some clinics are only issuing double electric single user pumps.
- Each clinic is different, so if needing a hospital grade/multi user pump call the individual clinic.
