

Online Breastfeeding Classes

The Oklahoma Breastfeeding Resource Center (OBRC) developed two online classes with general breastfeeding information to help providers and staff give evidence-based care and information to nursing families. These classes were developed in accordance with the standards of education as established by “Step 2” as outlined by Baby-Friendly USA, to help hospitals maintain Baby-Friendly designation.

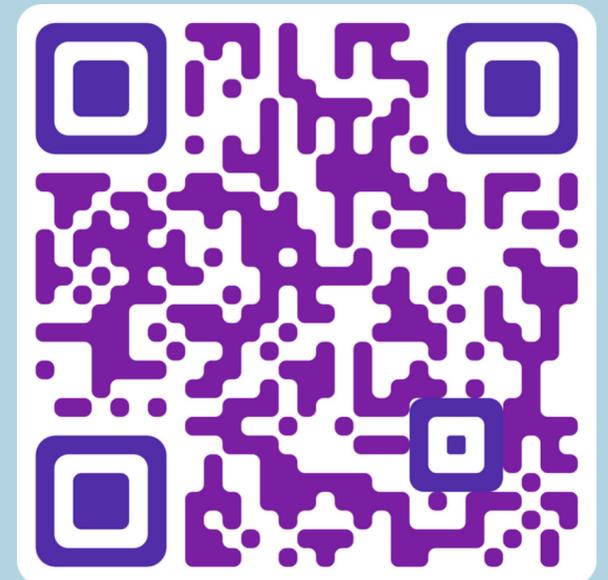

OBRC class offerings:

- 3-contact hour class for providers.
- 15-CNE credit class for hospital or clinic staff.

Class details:

- Use any smart device to take these classes.
- 75% pass rate to complete the class & receive a certificate.
- Self-paced classes with a generous time limit to finish.
- This class works best in Chrome, Firefox, or Safari.

These courses and the Oklahoma Breastfeeding Resource Center (OBRC) are not affiliated with BFUSA. The 15-hour course receives credit hours from the Oklahoma Nurses Association (ONA). ONA is approved as a provider of nursing continuing professional development by the Midwest Multistate Division, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.
