

A quick view/guide of OBRC's online course layout on Digital Chalk

STARTING/RETURNING TO THE COURSE

2020_BFHI_Training4HospitalStaff

This 15-hour online course is designed to help train all healthcare staff in skills necessary to implement the Ten Steps to Successful Breastfeeding.

This course was created with content expertise contributed by Jaclyn Huxford, IBCLC and Rebecca Mannel, MPH, IBCLC, FILCA.

Framework for this course was based on content from Becoming Baby-Friendly USA and content purchased from The Healthy Children Project in support of the Ten Steps to Successful Breastfeeding.

Course editing and review provided by Amanda Parsons, RND, IBCLC & Sara Bellatti, MS.

Start Course

0% completed

Progress % shown here.

When a module is available, it turns purple.

Pre-Test

You must take this pretest to begin the course.

This test will not count toward your final grade.

It is intended to help you understand your breastfeeding knowledge prior this course.

HOW TO NAVIGATE DIGITAL CHALK

The screenshot shows the Oklahoma Breastfeeding Resource Center Digital Chalk interface. The main content area displays a video player with a play button and a 'Close' button. Below the video player is a 'Chapters | Notes' section. The right side of the interface contains text: 'The module content will open in a new window. When the module is complete, return to this tab to continue the course. Please click here to be taken to the Module'. A yellow arrow points from this text to the 'Continue course' button in the bottom right corner. Another yellow arrow points from the 'Close' button in the bottom left corner to the left side of the interface. The bottom of the interface features a purple footer with the Digital Chalk logo, copyright information (© 2020 DigitalChalk, http://www.digitalchalk.com), and a 'Privacy Policy' link.

After completing the Prezi module, return to this tab and & press close (option #1)

Click link to start the module.

After completing the Prezi module, return to this tab and & press continue course (option #2)
