

Oklahoma Lactation Consultant Resource Guide

Oklahoma Lactation Consultant

Resource Guide

Fall 2020

Information updated January 2021

A section for breastfeeding classes and support groups is included.

An electronic version of this guide is available on the Oklahoma State Department of Health Breastfeeding Information and Support website at <http://bis.health.ok.gov>, the Coalition of Oklahoma Breastfeeding Advocates (COBA) website at www.okbreastfeeding.org, and the Oklahoma Breastfeeding Resource Center at <https://obrc.ouhsc.edu/>

The ***Oklahoma Lactation Consultant Resource Guide*** has been designed to inform you of International Board Certified Lactation Consultants who are available to assist nursing mothers, their families and partners, as well as expecting parents and health care providers in need of breastfeeding support and information.

We have made every effort to include accurate information in this guide. If your name or facility is not listed or the information is inaccurate, please contact us to make this correction.

DISCLAIMER

The Oklahoma State Department of Health has made efforts to supply current and accurate information. However, no guarantee is made regarding the content of this publication, especially as information might be altered by forces beyond the control of OSDH.

An **International Board Certified Lactation Consultant** (IBCLC) is a health care professional who specializes in the clinical management of breastfeeding. IBCLCs are certified by the International Board of Lactation Consultant Examiners, Inc. (www.iblce.org) under the direction of the U.S. National Commission for Certifying Agencies. IBCLCs work in a wide variety of health care settings, including hospitals, pediatric offices, public health clinics, and private practice.

How to use this Oklahoma Lactation Consultant Resource Guide....

- To find a lactation consultant, breastfeeding class, or support group in your area, use the regional area map below.
- Contact information is listed per regional area.
